### **Current employees who were previously working in the public sector**

TI-UK believes that exchanges of expertise and information between public and voluntary sector can make a positive contribution to the public interest. However, TI-UK also believes that the so-called Revolving Door can at times lead to conflicts of interest, and that these need to be appropriately identified, managed and mitigated. TI-UK's [Advocacy & Political Engagement Policy](#) outlines our policy on the revolving door.

The following current employees have come directly from employment in the public sector:

Duncan Hames, Director of Policy & Programmes (Previous role: Member of Parliament (MP) for the Chippenham constituency in Wiltshire from 2010 to 2015. Between 2012 and 2015, he served as Parliamentary Private Secretary to the then Deputy Prime Minister)
